How would you prefer your Preplanning Meeting held:

Online		Over the phone		Face to Face	
--------	--	----------------	--	--------------	--

• tick as appropriate

Do you own the site? Yes No
 If not, please provide written consent from the owner to carry out the meeting.

Have you previously owned a dwelling in the Countryside? Yes No

Please clarify your linkages to the area and/or your economic need (eg, your need to be close to work) to live in the area. You are advised to review Section 4.9 of the Wexford County Development Plan 2022- 2028 to consider if you comply with the rural housing policy (you may add additional information to outline your case).

Please clarify the size of the site in hectares _____

NOTE

A site location map must be submitted with the application for preplanning. You should also include any plans if you had them prepared in advance of the meeting, but drawings are not a requirement for rural housing preplanning.

As per S247 Planning & Development Act 2000 (as amended) a copy of this preplanning record will be made public when a planning application in respect of the proposed development is received.
