Enniscorthy District Tidy Towns Volunteers commended at event Enniscorthy Castle

Enniscorthy Municipal District hosted a Tidy Towns Appreciation evening on Thursday 23rd May in Enniscorthy Castle to thank them for their commitment and continued efforts in keeping Enniscorthy District tidy and looking its best.

The Tidy Towns Groups that attended on the night were from Bree, Bunclody, Ballindaggin, Enniscorthy, Ferns and Killealy.

The Cathaoirleach of Enniscorthy Municipal District Cllr John O'Rourke presented the groups with a gift and commended the groups for their hard work and efforts and said *'The Tidy Towns initiative is a great initiative that was introduced in Ireland. It brings communities together and allows people who are new to an area or not part of an area, to become involved in the community. The numbers of Volunteer hours you put in shows the dedication, commitment and passion for your towns and villages and this is something to be proud of.'*

Informative presentations given at the event were from Frank Burke, Climate Action Co-Ordinator Wexford County Council and Christy Boylan, Adjudicator for the Tidy Towns Competition (Ireland).

Entertainment was provided by well-known Wexford harpist Una Walsh.
