## What is the local authority Affordable purchase scheme?

Under the Affordable Housing Fund, Wexford County Council will make homes available at a reduced price for eligible applicants who are seeking to purchase a newly built home but need additional funds to bridge the gap between their mortgage and deposit to cover the full price of the home.

In return Wexford County Council will take a percentage Equity Share in the Affordable Home. Purchasers will enter into an Affordable Dwelling Purchase Agreement with Wexford County Council.

## Who is the scheme for?

The scheme is open to First time Buyers and Fresh start applicants.

It is aimed at households who cannot afford a home at its open market value using their combined deposit, their approved maximum mortgage and savings.

The home must be used as the homebuyers's Principle Private Residence.

## How does the scheme work?

- The scheme applies to specific new-build homes.
- The property must be used as your primary residence.
- The support provided by the local authority takes the form of an Equity Share on the home.
- To participate in the scheme, applicants will be required to maximise their mortgage drawdown capacity (4 times a household income, from a participating bank, according to the Central Bank's macro-prudential rules).
- Applicants may be able to avail of the Local Authority Home Loan.
- Applicants may be able to avail of the help to Buy scheme.
- The maximum financial support available from the local authority on each home will be established by the local authority delivering the homes.
- The purchaser can redeem (buy-out) the Equity Share at a time of their choosing but there will be no requirement to do so.
- If the purchaser chooses not to redeem the equity share while living in the home, the local authority can do so when the property is sold or transferred, or after the death of the owner or after 40 years.
- The minimum equity share required will not be less than 5% of the market value of the dwelling.

## What are the eligibility criteria?

To be eligible for a property under the Local Authority Affordable Purchase Scheme, the following criteria apply:

- The combined financial income of all of the persons making the application, is below a certain level. This is calculated by multiplying the gross household income by 4. This figure is known as the “ purchasing power ” and it must be less than 85.5% of the market value of the affordable home.
- None of the persons making the application has previously purchased or built a dwelling in the state for his or her occupation. (exceptions below)
- None of the persons making the application owns, or is beneficially entitled to an estate or interest in, any dwelling in the State or elsewhere.
- Each of the persons making the application has a right to reside in the State indefinitely.

## Exceptions apply as follows:

### 1. Where a person making the application satisfies the Fresh start principle.

In this case a person may also be eligible if s/he has previously purchased or built a property in the Republic of Ireland together with a spouse, a civil partner or a person with whom s/he was in an intimate and committed relationship and that relationship has ended and that s/he has sold, or has been divested of, that dwelling as part of a personal insolvency or bankruptcy arrangement or proceedings or other legal process consequent upon insolvency.

### 2. Where any of the persons making an application previously owned, or was beneficially entitled to an estate or interest in, a dwelling in the Republic of Ireland and such dwelling, because of its size, is not suited to the current accommodation needs of the applicant’s household.

## How do I know if I am eligible?

All applicants must satisfy the four criteria listed above.

1. The applicant /s “ purchasing power ” (i.e. gross household income divided by 4) must be less than 85.5% of the market value of the Affordable Home.

For example, for an affordable home with a market value of €375,000, the maximum gross household income eligible to apply for the Affordable Home would be calculated as follows

Market Value	€375,000
85.5% of Market Value	€320,625
Divided by 4	€80,156 (maximum Gross household income limit)

**Gross Income is calculated based on previous 52 weeks preceding application date**

- 2. In addition to Household income applicants must demonstrate sufficient savings to cover the minimum deposit of 10% of the purchase price of the Affordable Home. First Time Buyer applicants can avail of the Help to Buy Scheme which is operated by the Revenue Commissioners to assist them with their deposit.**
- 3. Savings. The first €30,000 is disregarded. Anything in excess of €30,000 will be added to applicant's purchasing power.**
- 4. If the total of Purchasing Power + Deposit + Excess Savings exceeds 95% of the market value of the home then the applicant is not eligible for an Affordable Dwelling Purchase Arrangement for that home.**
- 5. Applicants must be in a position to apply for a mortgage (you will be required to maximise your mortgage drawdown capacity). Or If applicants are unable to obtain a mortgage, the Local Authority Home Loan may be an option.**

<b>Please refer to the Affordable Purchase Dwelling Arrangements Income Assessment Policy for information on assessable income</b>	<b>While it is not a requirement, it is strongly recommended that Mortgage Approval in Principle be in place prior to applying to purchase an affordable home..</b>
--	---

In addition to the above eligibility criteria, Wexford County Council's Scheme of Priority for Affordable Home Purchase Arrangements applies. This scheme sets out the manner in which affordable dwelling purchase arrangements are made available by Wexford County Council and the methodology that will be applied to determine the order of priority to be applied to eligible households where the demand exceeds the number of Affordable Homes available for purchase in the Affordable Purchase Scheme.

The Wexford County Council Scheme of Priority was approved by the Elected Members of Wexford County Council on 14/11/2022. This Scheme of Priority outlines the rules Wexford County Council uses to decide which applicants will be offered dwellings. The Scheme of Priority will apply in the event where there are more eligible applicants than Affordable Homes available.

Wexford County Council's Scheme of Priority can be viewed here. In relation to 70% of the homes, where the number of applicants exceeds the number of houses, priority as to which type of home is deemed to adequately cater to the accommodation needs of a household, will be made on the following basis:

DWELLING TYPE	MEETS ACCOMMODATION NEEDS OF
4 Bed Dwelling	3 or more person household
3 Bed Dwelling	2 or more person household

And thereafter on a first come first served basis.

For the remaining 30% of dwellings, Wexford County Council will prioritise as follows:

## What is the market value of the property?

The market value of an Affordable Home is the price for which the Affordable Home might reasonably be expected to achieve on the open market. The initial market valuation of the home in order to calculate the equity share is carried out by the Council. For subsequent valuations of the property, a valuation mechanism will be set out in the Affordable Dwelling Purchase Arrangement. A valuation will be required when a redemption payment is being made by the purchaser. Over time, if the value of the Affordable Home increases, the amount owed on the value of the equity share will increase in line with the prevailing market value.

## What is the meant by the affordable purchase price?

The Affordable Purchase Price for a property is the price that the applicant will pay for the property after the Council's percentage Equity Share has been applied to the market value. This price is based on an applicant's income and purchasing power. what is the income limit for an affordable dwelling? The income limit for a particular affordable dwelling is 85.5% of the market value of the property divided by 4.

## How much of a deposit do I need?

Financial institutions require that a minimum of 10% deposit must be raised from applicant's own sources.

First time buyer applicants can avail of the Help to Buy Scheme. The Help to Buy Scheme operated by The Revenue Commissioners can be utilised towards this deposit amount where the applicant does not have savings to account for same.

## What is meant by the purchasing power?

The applicant /s “ purchasing power ” (i.e. gross household income multiplied by 4) must be less than 85.5% of the market value of the Affordable Home.

## If the total of the applicants

- Purchasing Power (Maximum mortgage capacity, i.e. 4 times gross household income)  
Plus
- Deposit of 10% of the affordable purchase price,  
Plus
- Relevant savings\*\*

exceeds 95% of the market value of the home then the applicant is not eligible for an Affordable Dwelling Purchase Arrangement for that home.

\*\*If you have savings above a certain amount, you may not qualify for the scheme. You can have the money to cover the deposit on the home and an additional €30,000. Anything above this is added to your purchasing power.

## How is the affordable Purchase price of the property decided ?

The Affordable Purchase Price will be calculated by Wexford County Council based on the “purchasing power” of eligible applicants.

This calculation takes into account an eligible applicant’s maximum mortgage capacity plus deposit, plus savings, and the minimum price set for the home by the Council.

The minimum price to be paid by the applicant is prescribed in legislation in Regulation 6 of SI No 21 of 2023.

The minimum equity stake is 5%

Example: The below table shows an example of varying applicant incomes and how they determine the affordable purchase price and the Council’s equity share of an affordable home with a market value of €300,000. You can see that the higher an applicant’s income is, the more they will contribute to the price and the less of an equity share the Council will take. The Council will work this out for you as each house price will differ.

<b>Income</b>	<b>Equity %</b>	<b>Equity amount</b>	<b>Mortgage Capacity (Gross Income * 4)</b>	<b>Deposit</b>	<b>Purchaser Pays</b>

€59,000	12.59%	€37,778	€236,000	€26,222	€262,222

## What is the affordable dwelling contribution ?

The Council will provide a contribution known as an “Affordable Dwelling Contribution” that facilitates the purchase of homes by an eligible applicant. This refers to the monetary amount contributed by the Council.

The Affordable Dwelling Contribution is the difference between the combined total of the purchaser’s deposit and maximum mortgage capacity (and savings where relevant) and the open market value of the home on the date of purchase

$$\begin{array}{c} \text{Open Market Value} \\ \text{minus} \\ \text{[Deposit + Mortgage Capacity + Relevant} \\ \text{Savings]} \\ = \\ \text{Affordable Dwelling Contribution} \end{array}$$

## What is the affordable dwelling equity?

The Affordable Dwelling Equity, also known as the Equity Share, is the percentage of the market value that Wexford County Council will contribute to the purchase of an Affordable Home. This will be at least 5% of the open market value. This entitles the Council to the same percentage in value of a future sale of the property subject to terms and conditions.

The Equity Share represented as a % value of the dwelling, is the difference between the purchase price and open market value at time of purchase.

## What is the affordable dwelling purchase arrangement?

The Affordable Dwelling Purchase Arrangement is the legal agreement or contract between the Council and the purchaser setting out the terms and conditions under which the Council provides the Affordable Dwelling Contribution. Each successful applicant will enter into an Affordable Dwelling Purchase Arrangement with the Council. This will be prior to or at the same time as the closing of the purchase of their affordable home. The agreement covers the obligations of the purchaser and the Council and makes provision for the registration of the agreement with the Registry of Deeds/Land Registry.

The agreement will also set out how and when the homeowner can make redemption payment(s) to reduce the Council's Affordable Dwelling Equity Share as well as the conditions under which the Council may seek redemption of this Equity Share. Successful applicants will be required to enter into a Contract for Sale with the developer in order to complete the purchase of the affordable home. This Contract of Sale will include all standard conveyancing terms and conditions and the developer will also require confirmation of the purchasers' Affordable Dwelling Purchase Agreement with the Council

## When can the affordable dwelling equity be repaid?

It is a condition of the Local Authority Affordable Purchase Scheme that the Council will register a charge on the property equal to the Affordable Dwelling Equity, or Equity Share, representing the percentage discount below market value that the home is purchased for. The Affordable Dwelling Equity will in general become repayable upon the subsequent sale of the property or after forty years. The total amount repayable in respect of the Affordable Dwelling Equity to remove the Council's shared equity interest from the property will depend on the future market value of the home and the timing of the repayment(s)

### Example:

*A home is valued at €300,000 at time of purchase. The Housing Authority has an Equity Share of 10% (initially valued at €30,000). If sometime in the future the homeowner decides to buy out the Council's Equity Share, a valuation of the home is carried out and the market value of the home is now €350,000. The home owner will need to pay €35,000 (10% equity share) to redeem the Housing Authority's equity share in the home.*

The Council's Equity Share in the property must be repaid in full, but the timing of repayment(s) is flexible. From five years after their purchase, purchasers can decide when to make redemption repayments on the Equity Share, subject to a minimum repayment amount of €10,000, or the Equity Share can be repaid when the purchaser subsequently decides to sell the property. The Council will keep a record of all redemption payments made by the purchaser, revising the Affordable Dwelling Equity percentage accordingly. When the full Equity Share is repaid, the Council will discharge it in the Registry of Deeds / Land Registry.

## Can the council demand repayment of the ‘affordable dwelling equity’?

The Council can demand the repayment of the Affordable Dwelling Equity by serving a Realisation Notice on the homeowner on the occurrence of certain realisation events including:

1. The expiry period of 40 years without redemption in full of the equity share by the purchaser(s) (which will be the period during which the Council may not realise its equity share other than for breach of other conditions of the agreement)
2. In the event of the death of the purchaser.
3. Where the purchaser commits an act of bankruptcy, or is adjudicated as bankrupt.
4. A mortgagee, incumbrancer or receiver gains possession of the affordable dwelling.
5. The dwelling becomes subject to an order or process for compulsory purchase.
6. The dwelling is demolished or destroyed, whether by fire or otherwise or is damaged so as to materially affect its market value
7. The dwelling is abandoned or is no longer the principal primary residence of the purchaser(s).
8. The dwelling is sold.
9. Where there is a material breach of a covenant in the Affordable Dwelling Purchase Arrangement.

**10. The purchaser(s) is found to have deliberately misled the Council in respect of any material fact regarding eligibility or priority in making their application.**

**A Realisation Notice will specify a period (not shorter than three months commencing on the service of the notice) after which the Council will be entitled to realise the Affordable Dwelling Equity. The procedure for this arrangement will be clearly set out in the Affordable Dwelling Purchase Arrangement.**

### **Do I need mortgage approval before applying?**

**While it is not a requirement of the scheme, it is strongly recommended that Mortgage Approval in Principle be secured before the application portal opens. As part of the application process, applicants should submit this Mortgage Approval in Principle letter from their proposed lender confirming the maximum mortgage available to the applicants when applying for affordable housing.**

**Purchasers can use a mortgage from any private lending institution, such as a bank or building society, to finance their purchase or if refused by 2 banks/building societies, they can then apply for the Local Authority Home Loan.**

**If you do not have mortgage approval in principle/Local Authority Home Loan approval, you will be required to provide details on how you intend to finance the purchase of an affordable home**

***Where a purchaser is availing of a mortgage from a bank / financial institute to purchase the home, a separate 'Priorities Agreement' between the Council and the bank/ financial institute providing the mortgage to the purchaser will be necessary.***

***This agreement between the Council and the bank will not impact on the purchaser but will record that the Council will retain an equity share in the property and will provide that the bank's interest will take priority.***

## **How long before I am notified if my application has been successful?**

**It is intended that applicants will be notified within 8 weeks of closure of the application portal.**

## **How can I satisfy the 30% Residency rule?**

**To qualify under the 30% Residency Rule, applicants will be required to provide proof of being a current resident in the administrative area of Wexford County Council.**

**Each applicant can provide a Statement of Liability from Revenue clearly showing name and address of applicant.**

**and/or**

**A copy of a rental agreement, utility bill or other formal correspondence (e.g. bank statement, letter from government department) in applicant's name.**

## What type of homes are available & when do they become available?

Information on property location, property types, size and price will be advertised on Wexford County Council's website, Social Media pages and on a Local newspaper as each Affordable Housing Scheme is announced in advance of the open date for applications.

## How do I know which property to apply for?

You are advised to apply for the property most suited to your household needs, bearing in mind the Scheme of Priority which sets out that a 2 or more person household will be given priority for a 3-bed home, and a 3 or more person household will be given priority for a 4-bed home.

## Where can I view the various house plans?

The house plans will be made available for viewing on Wexford County Council's website when the scheme is announced. They will also be available to view on our development partners websites.
