4. Notice of Motion from Gorey-Kilmuckridge Municipal District

Consider Motion Submitted by Cllr Fionntán Ó'Súilleabháin

“Using the 'Killarney Cup Project' as a model, I propose that Gorey-Kilmuckridge Municipal Council work to develop a 'Gorey Cup Project' as a pilot programme. We note that the County Kerry town went through about 23,000 cups a week – more than a million a year.

“Killarney Municipal area, working with Kerry County Council, Killarney Chamber of Tourism & Commerce & Department of Housing, Local Government & Heritage, became the first town in Ireland to phase out single-use coffee cups. If you want a takeaway coffee from a café or hotel, you must bring your own cup or pay a €2 deposit for a reusable cup that is returned when the cup is given back. In the interests of the environment and sustainability, this Municipal could explore the possibilities around this worthy initiative and adopt it to suit our own particular circumstances.”
