14. **Notices of Motion**
  - 14.1 **Cllr. AoifeRose O'Brien**

"I ask Wexford County Council to write to Minister Helen McEntee and An Taoiseach Simon Harris to ask the Government to adopt a zero tolerance approach toward gender based violence and ask that mandatory minimum sentencing be introduced in every conviction of sexual, domestic or gender based violent assault".

#### **14.2 Cllr. Paddy Kavanagh**

"I proposed that all County council and District council meetings would be live streamed in the interest of transparency".

#### **14.3 Cllr. Fionntán Ó Súilleabháin**

"Wexford County Council acknowledges that speculators are taking advantage of the emergency planning legislation for IPAS accommodation, which allows them to bypass certain local planning procedures.

We further acknowledge that such a policy contributes to a democratic deficit in terms of information and consultation for local communities, and that this can be unhelpful.

In the interests of local democracy, and as an attempt to reduce any potential tensions, that could arise (as witnessed in many areas) we call on the relevant Minister to revert control to Local Authorities in these matters.

We ask that this be forwarded to other local authorities."

#### **14.4 Cllr. Tom Forde & Aoife Rose O'Brien**

"We ask that Wexford County Council and the environment section engage with community groups, Tidy Town groups, and all political parties and current independents to establish designated areas for election posters in each district across County Wexford".

#### **14.5 Cllr. Fionntán Ó Súilleabháin**

"This council acknowledges the ongoing controversy concerning so-called 'Affordable Homes' which have been delivered in Coolock, Dublin, under the Affordable Homes Scheme, and which have a market value of half million euro - way above the original estimated cost that had been given to local councillors.

As Affordable homes are also set to be delivered in this county at Ramsfort, Gorey and elsewhere, we view this with alarm, and request that clarification be provided this summer on the approximate cost of our Affordable Homes to potential buyers here in County Wexford."

#### **15. Any Other Business**
