Conditions

- 1) It is a condition of this Licence that the Appliance be inspected daily by a competent person and a log be kept of adjustments made. The log is to be available for inspection at all times.
- 2) The Appliance shall be adequately lighted at night.
- 3) Warning Notice to pedestrians shall be fixed in the vicinity of the Appliance.
- 4) Every precaution shall be taken to prevent danger to all road users.
- 5) Usual safety precautions shall be taken when working in vicinity of E.S.B. cables and Telecom Eireann lines.
- 6) The Licencee shall have and maintain throughout the period of validity of this Licence and for any extended period required to complete removal of the Appliance and restoration of the public path and roadway, an approved public liability insurance in the sum of €6.5 million indemnifying Wexford County Council and the Licencee against all claims arising from the erection, maintenance, removal of the Appliance and restoration of the road and path to the satisfaction of the Senior Executive Engineer.
- 7) The Appliance shall be located so as to cause the minimum disruption to traffic, both vehicular and pedestrian and its specific location agreed with the Licensing Authority.
- 8) The Appliance shall be of neat solid construction, appropriately painted and kept clear of fly-posting and graffiti. The Appliance shall be properly and safely secured in position.
- 9) The public road and footpath shall be kept clean and clear of rubble at all times. No spoil, sand, concrete or any other materials etc., resulting from the use of the Appliance or works associated with same shall be capable of being washed into road gullies or any public sewer or fall onto the public street/road.
- 10) The proposed Appliance shall not extend more than the standard width of Appliance outside the area within the control of the developer.
- 11) In the interest of public safety, all Appliances are to be screened with netting to protect against falling material.
- 12) The applicant shall ensure that the Appliance is positioned and used in compliance with the Health and Safety Authority.
- 13) The proposed Appliance shall be replaced/repared as directed by Wexford County Council at any time for the duration of the licence.
- 14) Exact location of appliance to be agreed with the Senior Executive Engineer.
